Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

### Shadows In Zamboula

Despite a warning received in the Suq by an elderly desert nomad, Conan stays the night in a cheap tavern in Zamboula, run by Aram Baksh. As night falls, a black Darfarian cannibal enters to drag him away to be eaten. All of the Darfar slaves in the city are cannibals who roam the streets at night. As they only prey on travellers, the people of the city tolerate this and stay locked securely in their homes, while nomads and beggars make sure to spend the night at a comfortable distance from its walls. This night, however, Conan finds a naked woman chasing through the streets after her deranged lover; Conan rescues them from an attack by the cannibals. She tells him that she tried to secure her lover's unending affection via a love potion which instead made a raving lunatic of him. Promising Conan "a reward" in return for his assistance, they attempt to kill the high priest responsible for the man's madness. (Summary by Wikipedia)
